

# Accusharp Cutting Tools celebrated its "11<sup>th</sup> Anniversary of CNC Technology Start-up" at the works

Started in 1999, with one second hand conventional Tool & Cutter grinding machine, it was 2nd Jan, 2006, Accusharp installed its 1st WIDMA CNC grinding machine at the works for grinding carbide drills and end-mills. This 1st CNC machine gave a step forward lead to a series of more modern CNC machines and facilities at the works.

Since this CNC start-up the company never looked back, and continued to grow its operations in such a way, that every year, at least, one new CNC machine was added at the works. Today we have CNC machines, of the latest technology, in two digit number – WIDMA, ANCA, Strausak, Rollomatic, etc. and other supporting equipments like, Zoller, Rapid – I.

The business operations, production quantity and financial turnover have vertical trends for growth, since the year 2006. And this being a matter of pride of the business success achievement, management celebrated the day as the 11th Anniversary of CNC start-up at the works.

On this occasion, a grand celebration took place at the Hotel Bhola. It was a big gathering of all employees of the company, with a joyful mood throughout the day.

Managing Director- Mr. Ilyas Shaikh, Marketing Director-Mr. Ayaz Shaikh, Technical Director- Mr. Girish Kulkarni and Corporate Consultant- Mr. Arvind Khadke were present. Mr. Jitesh Gosalia, M.D. of Pune Carbide was a special guest for the function.

Ms. Rashmi conducted the entire programme of the day.

Mr. Khadke said "Accusharp has become today the first choice for a number of local customers, and also for some of the world class MNCs, those who are in Metal Cutting." He further appealed all employees to extend their innovative and committed contribution, keeping in mind "Best is yet to come"!

Mr. Ilyas Shaikh, in his speech, narrated his old memories and experience, as to how he started the business activity from the scratch. He thankfully mentioned the long years, shoulder to shoulder, support from Mr. Ayaz Shaikh, in this success journey. He further added that all this business success is a team work of all the employees of the company.

Mr. Ilyas Shaikh made a special mention of Mr. Ashok Salvi and Mr. Jafar Shaikh, who are with him since the 1st day of the starting of the

company. Mr. Ashok Salvi and Mr. Jafar Shaikh were honoured with flowers and a special gift from the M.D.'s hands.

Mr. Ayaz Shaikh shared old memories and gave encouraging information, as to what are the future expansion plans and projects.

Mr. Girish Kulkarni, who installed the 1st CNC machine in the company, shared his experience from the shop floor, since 2006 till date.

There was active participation of a number of employees from shop floor, as well as from the offices, performing various entertainment events on the stage.

Long Service Special Certificate Awards were issued with the hands of the dignitary to employees, who have completed more than 10 years of their valuable service at the company.

Spontaneously, representative positive response was expressed by Mr. Ashok Salvi, Mr. Sarfaraj Mujawar, Mr. Ajit Kamble, Mr. Arvind Rathod and a few others thanking the management for its caring approach towards employees; and they promised their continued committed efforts and support towards the company objectives.

Closing of the function was with a special sweet dish lunch; where in most of them shared their sweet memories, of the last 11 years, over the lunch table.

On the way to continual success travel, Accusharp wishes to have many more future events to celebrate.
